Louisiana Haiti Sustainable Village Project

Madames, Sirs,

The Mayor's Office of Jacmel would like to thank you for your generosity following the January 12, 2010 earthquake.

Your immense contribution of food, clothing and medicine at the Jacmel Shelter was very useful. We are preparing a well-organized distribution of your donation, which will reach many victims.

Your delegation's recent visit, supervised by Mr. Jacques Morial, is proof of your interest and concern for the people of Jacmel.

Confident in our continued collaboration, the Mayor's Office of Jacmel extends our grateful appreciation.

Regards to the entire team.

M Edwin Zinny

Mayor of Jacmel
