

The Louisiana Disaster Recovery Foundation (LDRF) would like to extend a warm welcome and special thanks to you for giving your valuable time to help make our community a better, a safer and a sustainable place to live.

Please be on time and arrive at the park at 7:30 a.m. The Louis Armstrong Park address is 901 N. Rampart Street (see map link below) . The morning activities will be condensed, and it is very important that we arrive at the work sites at 9:15 a.m. so that projects can be completed. All projects will end at noon EXCEPT the Habitat for Humanity home build which ends at 3:30 p.m.

If you are interested in the Habitat for Humanity project and are already registered, please notify Ashley Lewis at alewis@louisianahelp.org. A special registration line will dedicated for this project.

Thanks again for giving your time, talent and treasure. We look forward to meeting and working with you!
